// WOOD OVEN PIZZA //

When it comes to making the perfect pizza, the Agostino Family know exactly what's involved ... let's just say we have been practising for over four decades!

In fact, the perfect ingredients we use to perfect the dough, date back to over 50 years ... a recipe we hold close to our hearts, passed down to us by our grandparents from our home town of Marina Di Gioiosa Jonica, Italy.

We have selected some favourite traditional toppings, using fresh, quality and seasonal produce, sourced from growers and suppliers locally and across South Australia.
